MEMORANDUM FOR: Director of Training

SUBJECT : Suggestions for "Preparing for Overseas Assignment"

STATINTL

1. Some members of my Staff have recently returned from inspecting overseas components of the Agency. One comment which they received seems worth passing to you. It was "Agency people overseas expect too much in the way of support." The validity of this remark would, of course, vary among people and by station location. From observations the inspectors made, however, it seems to be a fair statement. With the continuing reductions the Agency is facing in overseas slots it is inevitable that support is also going to be reduced. In addition, the Agency is now

[REDACTED]
Agency support personnel abroad. Employees should be made aware of this when preparing for a PCS overseas assignment.

2. One good place for people to get this preparation is the subject course given by your Office as it is designed for dependents as well as employees. This decreased support in our stations is likely to be in several areas among which some of the most important are: medical, schooling, housing and local transportation (motor pools and shuttle service).

3. Should you or your Staff have any questions please feel free to call [REDACTED] the members of my Staff who brought the matter to my attention.

[REDACTED]
Donald F. Chamberlain
Inspector General

This fits in with my
pitch WARRIOR & TALK
TO COURAGE. SUPPORT
is to change to "ops
support" & away from
"service support."

It seems to me that
Hou should have
written this to the
DDO & DDS&T first
because all the training
in the world won't
change the attitude of
some of the people.
